

**Iowa State University**  
**Childcare Assistance Program (CAP)**

**Program Overview**

*CAP applications are due by September 30, 2016!*

**What is CAP?**

The Childcare Assistance Program (CAP) is a scholarship program administered through the Office of Child Care & Family Resources. This program provides scholarships to assist student parents with their child care expenses while they are attending Iowa State University. Students may be awarded *up to* \$750 per academic semester. Only one award per family even if both parents are ISU students.

**Who can apply?**

All student parents are encouraged to apply, regardless of classification: undergraduate, graduate, professional/Veterinary Medicine, international, special students, and students enrolled less than full time. Once funds are depleted, a waiting list will be kept in the event additional funding is received. All eligible students are encouraged to apply.
